

Centre of Advanced Study Department of Chemistry University of Rajasthan, Jaipur

Cordially invites you to the

Inaugural Function of

The International Conference on

Frontiers at the Chemistry-Allied Sciences Interface

(FCASI-2016)

on

Monday, April 25, 2016 at 09:15 AM

at

Humanities Hall, University of Rajasthan, Jaipur

Chief Guest : Padmasri Prof. Goverdhan Mehta

National Research Professor, University of Hyderabad

Guests of Honor: Prof. Michikazu Hara

Professor, Materials and Structures Laboratory,

Tokyo Institute of Technology, Japan

Prof. Jacques Jupille

Director, Research, CNRS,

Institute of Nanosciences, Paris, France

Chairperson : Shri J. P. Singhal

Vice-Chancellor, University of Rajasthan, Jaipur

Organizing Chairman & Convener

Prof. Anshu Dandia

Coordinator, CAS & Head, Department of Chemistry Organizing Secretaries

Dr. Mahesh Sharma

Dr. Neelima Gupta

Dr. Alka Sharma

The function will be followed by High Tea

Centre of Advanced Study Department of Chemistry University of Rajasthan, Jaipur

Cordially invites you to the

Valedictory Function of

The International Conference on

Frontiers at the Chemistry–Allied Sciences Interface

(FCASI-2016)

on Tuesday, April 26, 2016 at 04:00 PM

Chief Guest

Prof. Suresh Bhargava

Dy. Pro-VC, Director, CAMIC, RMIT University, Australia

Guests of Honor

Prof. S. Chandrasekhar, Director, IICT, Hyderabad

Prof. C. A. E. Hauser, Prof. Bioscience, DBESE, KAUST, Kingdom of Saudi Arabia

Prof. E. S. Dwarakadasa, President, ECSI, Bangalore

Chairperson

Shri J. P. Singhal

Vice-Chancellor, University of Rajasthan

Venue: Technology Hall, Department of Chemistry, Vigyan Bhawan, Jaipur

Organizing Chairman & Convener

Prof. Anshu Dandia

Coordinator, CAS & Head,

Department of Chemistry

Organizing Secretaries

Dr. Mahesh Sharma Dr. Neelima Gupta

Dr. Alka Sharma

The function will be followed by High Tea

INTERNATIONAL CONFERENCE on FRONTIERS AT THE CHEMISTRY - ALLIED SCIENCES INTERFACE

25th-26th of April 2016 Jaipur, Rajasthan (India)

Organized by : Centre of Advanced Study,

Department of Chemistry, University of Rajasthan

Web site : http://uorfcasi2016.wix.com/fcasi2016

Email : uor.fcasi2016@gmail.com

Abstract submission deadline: 15th March 2016 Registration deadline: 25th March 2016

Submit your abstract at : abstract.fcasi2016@gmail.com

On behalf of the Organizing Committee we extend our cordial invitation to the scientists and young researchers to participate in the International Conference on Frontiers at the Chemistry-Allied Sciences Interface (FCASI-2016) to be held on 25th and 26th April, 2016 at the Centre of Advanced Study, Department of Chemistry, University of Rajasthan, Jaipur, India.

Interdisciplinary research at the interface of chemistry and other allied sciences is of utmost importance for innovative academic as well as industrial research. Research at the interface of chemistry and material sciences using Green Chemistry tools with a focus on designing functional nanoparticle-based materials for catalytic and encapsulation/delivery applications as well as other materials of commercial importance has gained momentum. The availability of powerful computation techniques helped the chemists for development of new theoretical research. The conference is aimed to cover the areas of contemporary research related to the interdisciplinary research at the interface of Chemistry and other allied branches of science such as pharmaceutical sciences, material sciences, molecular biology, environmental science, geology, etc. so as to provide a common platform for the exchange of most recent findings and developments regarding the understanding, improvement and targeted applications of interface phenomena.

Call for Abstracts for Oral/Poster Presentations

Abstracts of contributed papers for Oral/Poster presentations during FCASI-2016 are invited on the theme "Frontiers at the Chemistry-Allied Sciences Interface". Kindly submit abstract in MS-Word as per the given format to the Convener, FCASI-2016 at email address: abstract.fcasi2016@gmail.com by March 15, 2016. The acceptance of the abstract would be communicated to the corresponding author, by March 20, 2016. "Awards for Best Oral and Best Poster presentations will be given to Young Researchers".

All authors presenting their papers at the conference will be invited to submit an extended version of their research paper for the journal Chemistry & Biology Interface (ISSN: 2249-4820). All submitted papers will go through blind review process for acceptance and will be included in the special issue of Chemistry & Biology Interface.

REGISTRATION

Registration fees may be paid by Demand draft in favor of 'FCASI 2016' payable at Jaipur or to be paid in cash at Conference Secretariat. Electronic payment details available at conference website.

	upto 25 th March	after 25 th March
Indian Delegates	Park and	49
Academia (Faculty/Research Students)	Rs 3000/-	Rs 3500/-
Industry / Pvt. Research Organization	Rs 5000/-	Rs 6000/-
PG Students/Accompanying person	Rs 1500/-	Rs 1800/-
International participants	US\$ 150	US\$ 150

Accommodation

The delegates may make their own arrangements for accommodation at hotels in Jaipur. Limited accommodation at Guest Houses/Hotels may be arranged by the organizers on prior request and advance payment. For details of Tariff and links for online reservations please see conference website.

Thrust Areas

Biochemistry & Chemical Biology
Coordination Chemistry
Computational Chemistry
Drug Design
Environmental Sciences
Electrochemistry
Green Chemistry
Organometallics
Material Science & Nanotechnology
Natural Products & Pharmaceuticals

Format for Abstract

Title in Times New Roman Font (14 Pt Bold)

<u>Presenting Author</u>, Other Authors, Senior Author* (12 Pt normal)

Authors' addresses and e-mail address (10 Pt normal)

Abstract Max. 500 words (10 Pt Times New Roman, line spacing single)

Maximum One Figure / Scheme (black & white Max. Height 2 inches)

References (max. four) [1] in ACS style (9 Pt normal)

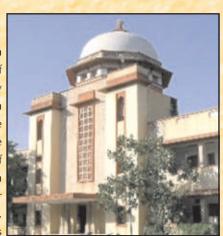

About the University

University of Rajasthan, situated in the heart of the Pink City Jaipur, was established in 1947 as a multi-faculty University. UGC has recognized the University amongst the top 15 Indian Universities with Potential for Excellence (UPE) in 2012. The University offers UG, PG, M.Phil. and Ph.D. programs in various disciplines at 37 Departments, 22 Research Centers and 6 Constituent Colleges. The University provides state-of-art research facilities supported through UGC-SAP, UPE, DST-FIST, PURSE, DST-SAIF program grants. Backed up with good infrastructure, the University is an active hub of academic and research activities.

About the Department

The Department of Chemistry is more than fifty years old and is well known for its excellence in academic and research programs in various areas of Chemistry. It is the largest department of the University having 59 faculty members. A significant number of alumni of this Department are working on high positions in National and International institutes as well as industry. The Department is continuously receiving Grants under Special Assistance Programme of the UGC since 1972 and presently has status of Centre of Advanced Study under UGC-SAP program. The Department has been recipient of various Grants from National agencies including Major Equipment grants under FIST program of the DST and BSR grant of the UGC. The faculty members are actively engaged in conventional as well as emerging areas of research in Chemistry, have interdisciplinary collaboration with national and international Institutes and Universities.

About the City

Jaipur, founded by Maharaja Jai Singh-II (1693-1743), famous world over as the "Pink City" is 260 km from Delhi and is a major destination in the popular Golden Triangle of Delhi-Agra-Jaipur. Jaipur is both a heritage city that dates back to the 18th century as well as a fast growing modern metropolis with all the trappings of a bustling capital city. The walled city with its pink facade and old heritage buildings attracts a lot of admiration from visitors and the stunning backdrop of ancient hill forts - Nahargarh, Amber, and Jaigarh are apt testimonials of the bygone era and a reminder of their lingering romance and chivalry.

The weather in Jaipur will be quite pleasant during the month of April, the days are usually warm and nights quite pleasant. It is well connected with major cities of India by rail, road and air.
